[Signature]

The judges of this court have reviewed the current case assignment system and considered the impact of some changes in the law, some needs and requests of segments of the local bar and the rotation of judges in the position of presiding and associate presiding judge to be effective in the near future. We have agreed that some changes in the assignments will improve either the administration of justice for litigants or the efficiency of the processing of cases in superior court. Therefore,

IT IS ORDERED adopting the procedures and schedules outlined in the accompanying document as the procedure for assignment of cases to the judicial officers in Mohave County Superior Court, effective December 1, 2007.

IT IS FURTHER ORDERED rescinding A.O. 2007-29, effective retroactively to December 1, 2007.

DATED this 29th day of November, 2007.

Honorable Randolph A. Bartlett, Presiding Judge
Mohave County Superior Court
